# Finding Courage

Addressing Harm with Restorative Justice Circles

*An inside look at a new approach to justice in which crime victims are heard and understood, offenders take responsibility for harm, and loved ones and community members offer support.*

It's not Hollywood.  
It's not the Big Apple.  
This film is from here,  
by us, about our work.

Chief Barry Neal,  
Concord Police Dept.

I've been so curious  
about how restorative  
justice plays out in  
actual cases. "Finding  
Courage" has given  
me a front-row seat.

Sen. Jamie Eldridge

"Finding Courage"  
is a great resource for  
community members  
interested in creative  
responses after harm.  
It's a must-see for  
police and other  
criminal justice  
agencies.

Hon. John Cratsley (Ret.)
